TEAM MAMA BEAR

PITCH

Silk Hiding Steel I The Cutie - Picture a rag-tag group of misfits - and among them is quite often the "team mom." Casey Dacanay is fantastic as the maternal heart of the group. In comedy think roles like Monica on *Friends*, Carla on *Scrubs* and in drama Piper on *Charmed*.

This character often presents herself as 'silk hiding steel' - the beautiful, yet proper woman who may seem powerless, until you cross her and Casey would do well with roles similar to Gwyneth Paltrow's Pepper Potts in *Iron Man*, Jessica Brown Finlay's Lady Sibyl on *Downton Abbey* and Anna Camp's Jane on *Good Girls Revolt*.

Give her kids to protect (or a pregnancy) and she becomes the Mama Bear and Casey would excel playing women like Ginnifer Goodwin's Snow White on *Once Upon a Time*, Jessica Alba's Marissa in *Spy Kids: All the Time in the World* and Carey Mulligan's Maud in *Sufragette*.

Casey's bubbly personality is also perfect for "the cutie" roles like Amy Adams' Julie (*Julie & Julia*), Lindy Booth's Cassandra in *The Librarians* or Elizabeth Henstrige's Jemma on *Agents of S.H.I.E.L.D.*

ABOUT

Casey's notable TV and Film appearances include *Scorpion* (CBS), *Battle of the Sexes* (Lifetime) and *Winemucca* (Haji Productions). With a background in theatre, Casey's arsenal of characters include the cunning Eve Harrington (*Wisdom of Eve*), a defiant Mary Warren (*The Crucible*) and William Shakespeare's headstrong Anne Page (*The Merry Wives of Windsor*). In short, she's often known for playing the cutie masking a serious inner bitch!

Casey is passionate about yoga and in addition to teaching offers free pre/postnatal classes with Claris Health. She believes in giving back to the community, and has also participated in the SAG Foundation's PencilPals program .
